WORLD SCHOOL

About Us

Education at our institute isn't limited to the classroom. It happens throughout the campus each and every day through student activities.

We follow the CBSE curriculum from class Pre-Nursery to XII and the medium of instruction is English. Cambridge curriculum has been proposed for the new session. We provide teacher training in association with the Cambridge teacher training program.

Our Vision

To be a beacon of educational excellence, inspiring lifelong learners and compassionate leaders who thrive in a dynamic, inter-connected world.

Our Mission

To provide a nurturing and innovative learning environment where every student is empowered to reach their full potential.

Our Motto

"DOCENDO DISCMUS"

By teaching, we learn.
